FUKU

Tax ID: 253912936689

Category: Креативные индустрии

Description:

FUKU is a clothing brand born on the shores of the Sea of Japan.

The brand was founded by **Alisa Fishchuk in 2022 in Vladivostok**. In Japanese, "fuku" means "clothing," so the brand's core idea is to create collections that combine European classics, Asian vibrancy, and artisanal traditions.

Alisa Fishchuk, the brand's visionary, has firsthand experience in the fashion industry, having worked as a professional model in cities like Paris, Milan, Tokyo, and Shanghai.

Behind the scenes of fashion shows and interactions with renowned designers led Alisa to the idea of creating her own clothing brand that would meet global brand standards.

Thus, in 2022, a full-fledged brand was launched, quickly gaining popularity in her hometown of Vladivostok and now attracting interest from the fashion community both in Russia and abroad.

Rising sun

Tax ID: 253715720786

Category: Креативные индустрии

Description:

My name is Margarita Klimenko, I am the creator of the local jewelry brand "Rising sun" from Primorsky Krai. My specialization is metalworking (copper, silver) using various techniques (electroforming, forging, smelting). I have 7 years of experience, 4 of which I have been teaching jewelry masterclasses. I am a speaker at the Creative Industries Forum (Khabarovsk, 2024) and Business by the Sea (Vladivostok, 2024).

The local jewelry brand Rising sun is a jewelry and educational project based on working with natural materials and symbols of Primorsky Krai and the Far East. In our work, we use real natural materials coated with copper and silver (shells, leaves, feathers typical of the region) and complement them with our own fittings based on the ornaments of local tribes and peoples who previously inhabited the Far East (Nanai, Jurchen, Bohai).
