

LLC AT Group Terminal

LLC «AT Group «Terminal» is currently represented in Primorsky Krai by a land bank of 5 thousand hectares (Dalnerechensky and Mikhaylovsky districts).

The main goal of the company is the production of high-quality agricultural products to supply the domestic market of Russia and the Asia-Pacific region. The company uses only high-quality seeds from leading global producers and employs agricultural machinery from leading global brands in its technological operations: CLAAS (Germany), BRANDT (Canada), LEMKEN (Germany), AMAZONE (Germany).

In 2023, a project to build a terminal and a grain elevator with a capacity of up to 120 thousand tons was launched. The terminal is located in the TOP «Mikhaylovsky» at the intersection of the main transport routes of Primorsky Krai. It has its own railway access tracks. The first phase of the terminal is scheduled for commissioning in the 4th quarter of 2024.

Today, LLC «AT Group «Terminal» is:

- high professionalism;
- world quality standards;
- availability of high-tech exclusive products;
- innovative approach to crop cultivation.
