

IP Mikholap Konstantin Ivanovich

Individual Entrepreneur Mikholap Konstantin Ivanovich (logo «SEA MAGIC») has been engaged in the harvesting, processing, and sale of Japanese kelp from the Sea of Japan since 2010.

Kelp is harvested upon reaching two years of age in ecologically clean coasts of Primorsky Krai. Kelp is suitable for consumption. It is a useful and necessary product for healthy nutrition, as well as raw material for cosmetology. Naturally dried, it has a shelf life of 3 years.

Kelp is produced in the form of:

- Kelp leaves;
- Shredded kelp leaves (leaves cut crosswise into strips 2.5 millimeters wide);
- Food additives of hydrobionts of the Sea of Japan based on ground kelp (in capsules).
