

LLC «Kompaniya «Grasp»»

LLC «Company «Grasp» was founded in 1992 and is engaged in the production and sale of its own brands: TM «Rus Vostochnaya», TM «3Kopeyki», TM «Zolotoy». The company is the largest supplier of food products in the Far East. The products of LLC «Company «Grasp» are in high demand among the local population due to consistently high quality and affordable prices. The company's products do not contain GMOs, as confirmed by certificates. The company's product portfolio includes the following categories of goods:

1) Sunflower oil 1 l and 5 l.: produced by pressing and purification using the latest technologies. Suitable for salads, frying, and home canning. Contains vitamins A, E. Without any additives or GMOs.

2) Wheat flour, baking, premium grade: made from 100% selected Russian grain grown in Altai. A product of increased environmental purity, without GMOs and additives. Ideal for the production of bakery and confectionery products.

3) Oatmeal: the product is made from 100% Russian raw materials, without GMOs and additives, rich in vitamins.

Currently, LLC «Company «Grasp» exports to Australia and Vietnam and plans to develop exports to China, India, Indonesia, Laos, Thailand, the Philippines, and Mongolia.
