

## LLC Rybopererabatyvayushchiy kombinat «Bolshekamenskiy»

LLC RPK "Bolshekamensky" is located on the coast of the picturesque ecologically clean Andreeva Bay in the Shkotovsky district and is one of the oldest fish processing enterprises in Primorsky Krai. Founded in 1936 and then named "Andreevsky", it became one of the city-forming enterprises of the city of Bolshoy Kamen. Today, LLC RPK "Bolshekamensky" is a successfully operating fish processing enterprise using modern production and management technologies and steadily increasing production volumes. To improve the efficiency of the plant, fish processing equipment from well-known firms "HENKONAC", "LUFTUHLER", "GUENINER", "INGVAR", etc. has been purchased and installed.

LLC RPK "Bolshekamensky" produces fish products that are in high demand among the population. All products are made from environmentally friendly raw materials, differ in high quality, and have gained recognition among Primorye buyers. The plant cooperates with fishing enterprises that operate in the ecologically clean areas of the Okhotsk and Bering Seas. A distinctive feature of LLC RPK "Bolshekamensky" is a diverse product range.
