

"VekStroy"

- 1 Almost the entire range of building materials and rolled metal products - Convenient and fast loading in the shortest possible time
- 2 Own production - ensuring minimum prices from a manufacturer with many years of experience
- 3 Free storage of goods (even from third-party organizations) for subsequent loading into containers and sending to the destination - turnkey work is very beneficial for each client located far from the port of Vladivostok
- 4 Availability of our own fleet of vehicles - fast and inexpensive delivery within the city and the entire Primorsky Krai
- 5 Possibility of work "on request" - ensuring the minimum price and meeting the deadlines for the delivery of materials to the site and / or store within the agreed time frame.
