

## LLC "HC Dalsnab"

LLC "HC Dalsnab" has been manufacturing equipment since 2019. The main areas are automobile electronic scales, asphalt plants of various types and other industrial equipment.

The Company has been engaged in production since mid-2019, absolutely from scratch. Therefore, production is at the development stage. In order to develop production, high-precision modern equipment was purchased. Such as CNC rollers, laser fiber optic machine for high-precision high-speed cutting, plasma machine, lathe, band saw, galvanizing, spot welding. The plans include the purchase of a sheet bending machine and a milling machine.

List of products:

- Mini ABZ, 80 t/h ABZ,
- Sorting and crushing machine, automobile scales

### List of Goods/Services with HS Codes:

---

842389 - Other weighing equipment.

### Export Countries:

---

- China
