

## Furniture factory "Verena Mebel"

Our furniture combines individuality, environmental friendliness, multifunctionality, ease of transformation, stylish design and decent quality. We want you to be able to realize all your dreams of an ideal interior with our diverse range, so that you will always be pleased to return home.

We value our customers and strive to ensure that each of you finds your FURNITURE that meets all your wishes! So that, having become our client once, you come back to us again!

The Verena Mebel factory is a manufacturer, which means better prices, more accurate terms, quality guarantee!

We produce using European technologies, using natural fabrics, certified materials, highly elastic high-density foam rubber and an independent spring block. All manufactured furniture has certificates of conformity. We can manufacture according to individual sizes!
