

LLC «Images and forms»

LLC «Images and Forms» has its own mini-production of original headwear and accessories. The company considers small batches of orders from public organizations and enterprises for the manufacture of branded headwear for various unifying events, including sports. LLC «Images and Forms» has established reliable working contacts with well-known Russian companies for packaging and logos and does not work with intermediaries. LLC «Images and Forms» is a grant recipient, which allowed the purchase of functional sewing equipment meeting all basic needs for optimal enterprise operation. The enterprise has all the necessary permits for its products in Russia.

We strive for development and creative creation, and we wish the same for everyone!
