

LLC «ELEMENT»

Element LLC manufactures engineering systems under the "AUBERG" brand, including crematory furnaces, incinerators, modular cremation systems, energy-saving solutions, automation, gas treatment, heat recovery, and modular boiler houses. "AUBERG" is a leader in energy-efficient and eco-friendly engineering systems.

List of Goods/Services with HS Codes:

8514108000 – cremation furnace (furnace for burning human remains)
8417807000 – incinerator (waste burning furnace)
8504405500 – gas cleaning system
8421392009 – heat recovery system
8403109000 – modular boiler house

Export Countries:

- Thailand
- South Korea (Republic of Korea)
- Kazakhstan
- Vietnam
- Belarus

Company Information:

- **CEO/Head's Full Name:** Serkova Olga Sergeevna
- **Contacts:** +7 924 428 2877 office@auberg.ru
- **Export Industry:** Industrial Export
- **Legal and Physical Address:** 690014, Primorskiy kray, g. Vladivostok, ul. Tolstogo 30, kv. 256 / 690092, Primorskiy kray, g. Vladivostok, ul. Dobrovolskogo, 20, of. 32
- **TIN:** 2536275811
- **Website:** <https://cremators.auberg.ru>
