

LLC "Kachestvennye Lyudi"

Quality People LLC and **NPO IMIR LLC** produce "Moresil" dietary supplements. Quality People handles full-cycle production—from raw material harvesting to finished products with extracts from sea cucumbers, ascidians, and taiga endemics (ginseng, etc.). NPO IMIR, a joint venture with the National Scientific Center of Marine Biology (NSCMB FEB RAS), combines cutting-edge technology, expert teams, and growth potential. Their goal is innovative, internationally compliant supplements.
