

PAO «NBAMR»

PJSC "Nakhodka Active Marine Fishing Base"—a stable integrated enterprise with 70 years of history—is internationally recognized as a reliable, strong partner.

Since 1952, we've specialized in high-quality fish products through marine fishing, processing, and distribution across Russia, Western Europe, and APAC markets.

Our "Pulkovsky Meridian"-type Large Autonomous Freezer Trawlers (LAFT) feature modern processing factories meeting global standards. Key catches: pollock, lemon sole, squid, grenadier, herring.
