

LLC "Slavny Med"

LLC "Glorious Honey" (founded 2016) rapidly grew from a startup to a honey export leader to Southeast Asia, earning trust and an impeccable reputation.

We offer Russia's diverse honey varieties—all meeting uncompromising quality standards. Our collection includes 10+ mono-/polyfloral honeys, from classics to rare beneficial or exceptionally flavorful types. Annual production capacity: 720,000kg. Compliant with GOST R ISO 22000-2007 (HACCP), each batch undergoes Russian/importing-country veterinary lab testing. Vladivostok's strategic location enables global maritime shipments.

List of Goods/Services with HS Codes:

10.86.6 Processing of honey (tempering, filtration, decrystallization, and blending of honey)
