

FUKU

FUKU is a clothing brand born on the shores of the Sea of Japan.

The brand was founded by **Alisa Fishchuk in 2022 in Vladivostok**. In Japanese, "fuku" means "clothing," so the brand's core idea is to create collections that combine European classics, Asian vibrancy, and artisanal traditions.

Alisa Fishchuk, the brand's visionary, has firsthand experience in the fashion industry, having worked as a professional model in cities like Paris, Milan, Tokyo, and Shanghai.

Behind the scenes of fashion shows and interactions with renowned designers led Alisa to the idea of creating her own clothing brand that would meet global brand standards.

Thus, in 2022, a full-fledged brand was launched, quickly gaining popularity in her hometown of Vladivostok and now attracting interest from the fashion community both in Russia and abroad.
