

Rising sun

My name is Margarita Klimenko, I am the creator of the local jewelry brand "Rising sun" from Primorsky Krai. My specialization is metalworking (copper, silver) using various techniques (electroforming, forging, smelting). I have 7 years of experience, 4 of which I have been teaching jewelry masterclasses. I am a speaker at the Creative Industries Forum (Khabarovsk, 2024) and Business by the Sea (Vladivostok, 2024).

The local jewelry brand Rising sun is a jewelry and educational project based on working with natural materials and symbols of Primorsky Krai and the Far East. In our work, we use real natural materials coated with copper and silver (shells, leaves, feathers typical of the region) and complement them with our own fittings based on the ornaments of local tribes and peoples who previously inhabited the Far East (Nanai, Jurchen, Bohai).
