

# RichGroup

Our team has been operating in the Far Eastern market since 2008 and is known as RichGroup. The company operates in several areas.

- **In-house coffee roasting under the "SOLOCUP" brand.** Over two hundred foodservice partners brew our coffee and provide feedback, helping us improve. Since 2018, our clients have been able to purchase tea and tea blends under the "SOLO" brand. Our production facility is located in Vladivostok, ensuring fresh and high-quality products for our clients.
- **Since 2021, our products have been available in many stores in Vladivostok and Primorsky Krai.** We are a reliable and responsible supplier that values your customers, their tastes, and preferences.
- **Staff training and masterclasses are an essential part of our workflow.** We strive for the "SOLO" brand to be not just a name but a mark of quality. Thus, we strongly recommend our partners train their staff at our facility. Our training covers not only coffee brewing principles but also in-depth technical aspects.
- **Sale, servicing, and repair of coffee equipment.** Our goal is to meticulously plan each project with the client and ensure smooth operations post-launch. For this purpose, we have established a dedicated repair and service department.
