

Primorye AquaLife LLC

Scope of activity: Production and processing of food products (seafood), in particular, the production of dried sea cucumber in capsules – sea ginseng.

LLC «Primorye AquaLife» is focused on the production of beauty and health products based on marine animals and plants for people who care about their health and lead an active lifestyle. All products are environmentally friendly, natural, without any additives. Raw materials are sourced in the waters of Primorsky Krai. Product supplies (with export numbers) are carried out to Singapore, Hong Kong, Taiwan, Japan, Customs Union countries, and exports to China and the Republic of Korea are planned.
