

T-Point LLC

Tea Point LLC (Tea Point) is an importer of high-quality tea to Russia, a leading supplier to restaurants, cafes, coffee shops, hotels, and stores in the Far East, and an exporter of various types and grades of tea to Belarus. Since 2008, the company has collaborated with private farms and large tea factories in China, India, Japan, Germany, and Taiwan. In each country, it selects producers with a history and extensive experience, as the main criterion is tea quality. The company promotes tea culture and focuses on two main areas—tea distribution and the HoReCa segment.

Today, Tea Point LLC works with over 500 stores, restaurants, and cafes across Russia.

In 2015, a plantation tea and farm coffee showroom was opened in Vladivostok, where visitors can taste their chosen beverage. In May 2021, a branded Tea Point salon for exclusive tea was opened in Vladivostok.

An online store offers fresh tea with prompt delivery across the city and throughout Russia.
