

Seaberry craft, IP Bedyukh

Seaberry craft workshop is our own production of accessories made from genuine leather. Small volumes, but a quality approach to creating each product.

Currently, our range includes: bags, backpacks, wallets, belts, key holders, dock holders, cosmetic cases, keychains, bracelets.

Seaberry craft accessories are made from high-quality genuine leather. Ergonomics come first, but this does not exclude the use of various shades of hides, unusual hardware, shapes, and decorations such as embossing, engraving, and embroidery.

Inspired by the nature of Primorsky Krai, we have created the "Marine" collection of products.
