

LLC "Amber Wood"

Amber Wood is a supplier of a wide range of parquet products in Russia and the CIS countries and has an extensive dealer network, thanks to which Amber Wood parquet can be freely purchased almost anywhere in our country.

Constant striving for improvement, visiting exhibitions in order to acquire foreign experience and further modernization of our own technologies, allows us to make a truly noteworthy product.

Each product has its own character and individuality. Amber Wood parquet is intended for the widest range of design solutions, from classical style to modern interior.
